

*Benefits of Getting Plants from The Emerald Leaf*

**WE CAN HELP YOU GROW**

- On-site evaluation
  - We'd be happy to come visit your location and help design the best layout for maximum sales in your store.
  - We'd be happy to send you pics of displays we have in Front Range Gardens that work well for that retail location.
- Staff training
  - We can send someone to your store to train your staff on plant care.
  - You can send your staff members here and we can walk them thru the greenhouse answering any questions they might have.
- Plant proposals
  - We can share with you what our best sellers are.
  - We will proactively tell you if a plant you are getting is harder to care for in our conditions
  - Want easy care plants? Let us know and that's what we will pull for you.
- Let us know if there is anything more we could be doing to help you grow your business

**BOTTOM LINE –**

We want you to be happy. It is our goal that you will *want* to come back and get more plants because of the care / service / quality we provided.
