

*Benefits of Getting Plants from The Emerald Leaf*

**EXPERT / ONGOING SUPPORT**

- Phone support
  - Call us anytime with plant questions. If your Sales Rep doesn't have the answer, someone here will.
  - Send us pics and we can help identify plants
- Issue identification
  - Send us pics and we can help identify issues
  - Bring in plants and we can help diagnose issues
- Plant Care Guide
  - Request our Plant Care Guide from your Sales Rep.
- Real-time Assistance
  - Need help know what plants to put in your store? Or on a customer's account? Facetime us and we can walk thru the space with you and help determine which plants would do the best for the location.
  - If you are local, we can come to your store and help suggest what plants would do the best for you.
  - We can also suggest where you might need supplemental lighting or barriers to keep away cold drafts, etc.
- What other issues are you encountering? Concerns you are having? Problems you are facing? Let us know – we want to help where we can.

**BOTTOM LINE –**

**We want you to be happy. It is our goal that you will *want* to come back and get more plants because of the care / service / quality we provided.**
